PUBLIC WEDDING RECEPTION

A public wedding reception will be held at the American Legion Hall, Bethel, Saturday, Nov. 13, at 5 p. m. in honor of Mr. and Mrs. Larry J. Smith, following their marriage earlier in the day in North Conway, N. H.

All friends and relatives are invited to attend. Mr. Smith is the son of Mr. and Mrs. Homer Smith, Jr., Northwest Bethel.

AROUND THE HOUSE

Try putting a dampened paper towel or napkin under the dishes on a sick child's bed tray. It keeps the dishes from slipping, and can be used for hand-cleaning after the meal.

Use a cotton swab dipped in ammonia to clean under the telephone dial.

If someone at your house isn't allowed to eat butter, use fresh lemon juice instead. Delicious on fish, chicken or baked potatoes.

A roll-front breadbox decorated with decals or contact paper makes a pretty storage cabinet for desk or dresser items.

Your plastic tablecloth will wear longer if you crisscross two small strips or adhesive tape to the underside of the cloth where sharp corner edges might rub against it.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

Interest on taxes will become effective Dec. 1. Any taxes paid after that date will be subject to an interest rate of one half of one percent per month retroactive to Oct. 1.

One police officer has been hired through the Emergency Employment Program. He is Robert Emens who resides in Locke Mills. Mr. Emens is a veteran and was formerly employed as a lineman. He attended school in Saco, Maine, graduated from Thornton Academy in 1962.

The addition of one man will provide coverage the better part of afternoons and throughout the hours of darkness. We hope to be able to enforce the dog ordinance better with the extra help.

Forms are available to register motor vehicles for 1972. We have some who wish to have their automobiles registered early as they go away for the winter months.

A Caterpillar D4C has been purchased to replace the old bulldozer. We acquired the machine, which is a 1960 model, from Arnold Machine Co. in Portland.

Elwyn N. Dickey.

ACCENT ON OUR NEEDS

The Educational Development Committee held its second meeting on Monday, November 8 in the Conference Room at Telstar Regional School. Of the citizens who volunteered to be on this committee the two who were picked at random are Joan Morford of Bryant Pond and Susan O'Donnell of Bethel.

Those present were: David Holt, Mike Davis, Bill Yeo, Ed Flynn, Bill Cousins, Peggy Crobie, Martha Tripp, Nan Timberlake, Richard Roy, Larry Arsenault, Joan Morford and Sue O'Donnell.

The committee examined copies of a study on the K-3 curriculum in our district, and discussed the weaker points in an attempt to better our system. The teachers who compiled this study last year suggested that we need comprehensive physical education and health programs in the elementary schools.

The EDC was very much in agreement with this and, therefore, formed two sub-committees to further investigate ways of initiating these programs. All interested citizens are invited to be a part of these sub-committees.

The EDC also decided to survey teachers, parents, and other citizens concerning the greatest needs of elementary children. This will be done through the district news letter, which will be mailed this month to every household in the district.

TELSTAR REBELS DEFEATED BY MEXICO IN GRID FINALE, 8-0

Host Mexico High drove 86 yards in ten plays in the fourth quarter for the only score of the game as the Pintos blanked Telstar's Rebels 8-0 in the Mountain Valley Conference football clash before more than 1,400 fans under the lights Friday night.

It was the sixth triumph for Mexico in nine MVC outings and boosted its overall mark to 5-1. The Rebels ended the season at 5-3-1.

The Pintos halted a Telstar threat early in the fourth quarter and this ignited the scoring spark. Robin Marshall carried the offensive burden, breaking the TD on a 20-yard jaunt, breaking the final tackle at the 10. A pass from John Ferland to Dave Arsenault picked up the extra points.

Telstar took the opening kick-off right down to the Mexico ten before the attack petered out ending the only serious threat in the first half.

Mexico lost an apparent score late in the third period when an ineligible receiver was detected downfield.

Gallant, Art Myler and John Wallek were standouts in the Mexico defensive unit while Wallek, Wendall Leyons and Steve Masalsky keyed the offensive line.

Rex Cummings and Al White were the top defenders in a losing effort with Ron Deegan and Pete Blake pacing the offensive action.

GREENWOOD CITY

Mrs. Colista Morgan, Corrae.
The vivid colors of October are gone and now the shades are the browns. We see them in the golden tan of the milkweeds, the earth brown of the oak trees, the polished brown of their fruit, the acorns, the tangle of goldenrod and grasses, and the spore heads of ferns. This is brown November.

Recently the "usual four" traveled new territory in Oxtfield. I called it the land of pines; there were so many towering with outstretched arms.

The day was intensely pure, warm and hazy and full of white, sparkling sunshine.

We stopped at the home of a friend where she joined us for a climb up Big Hill.

The sunshine poured over the hill lighting the tops of the pines and setting free a stream of summery fragrance. Their gestures made a delightful study. Some were young, light, and feathery like squirrel tails while the old patriarchs with massive boles stood solemnly above.

The road was no longer used but, our friend told us its history as it once was when she traveled it in "a yesterday."

The scene from the top was impressive as we looked on to the distant mountains with their incomprehensible grandeur, variety, and abundance, rising shoulder to shoulder and continuing beyond the reach of vision.

Lilac bushes rose above the old cellar holes where once people looked to these mountains from their windows.

We climbed the full length of the hill then returned for a refreshing treat before leaving for home.

On another day we visited a second land of pines somewhere in Albany.

Today there was a breeze drifting among them. They sometimes bowed like supple goldenrods swaying as if in worship. Each sang its own song with exuberance of light and motion.

At noon we lunched on the shore of a tiny pond looking up to towering cliffs. We remarked about the warmth, the time, November first, and of the fact that it would be our last picnic of the year.

At times we heard the pure sound of running water and the drum beat of partridges as they moved.

Later at home as day closed, darkness crept out of the east hastening a discreet distance behind the glowing light of the sun closing above the center and beneath the trees and stars.

Then came the rising moon making everything seem more impressive than by day.

This grand show is eternal as the earth rolls.

**A&P** **A-MART**

PRICES IN THIS AD GOOD IN ALL A&P'S AND A-MART'S IN AREAS LISTED

**DO YOU HAVE A DOUBT ABOUT THE QUALITY OF OUR "PRIVATE" BRANDS?**

We know that some people do. They still think that if the price is low, the quality must be low.

And they can't understand how A&P can sell an A&P Brand for less than the top quality national brand... without sacrificing quality.

They overlook three eye-openers:

1. Aside from being the world's largest food retailer, A&P is also one of the largest food processors.
2. Even with products we don't process ourselves, we buy directly from the producer and eliminate many middlemen costs.
3. Every item which bears the A&P name is as good as... or better than... comparable national brands.

That last point is rigid policy from which we never deviate and is easy for you to prove without risking a nickel.

Just try a shopping cart full of A&P Brands, now while the big sale is on.

If you're not satisfied, we'll give you DOUBLE YOUR MONEY BACK.

## LETTER TO THE EDITOR

This letter is probably quite unorthodox. One reason for its difference is that it is from two people, another is that it is not a letter of support or condemnation of any

trivial subject such as the latest decisions of the school board or whether or not to have grass or asphalt driveways. The reason for this letter is precisely this: A Salute to the 1971 Telstar Football Team. Regardless of the final record, of the let down at the close of the season, and of those who delved into the kettle of emotions which brewed discontent and blind injustice, we both want to extend our most sincere congratulations.

Both of us have had our share of athletics throughout high school, and we know from the players point of view, the real "thrill of victory" and the "true agony of defeat." We also know the knowledge gained by those competing in these events.

"Win, lose, or draw, you boys will all learn some very important lessons." How right he was when he said this. Some will not know the meaning of that last line or even who said it, but the ones it refers to will know and will find the real meaning in it.

We also feel that new head coach Dick Collins deserves a lot of credit for the teams success this year. In the games that we have seen this year, he has shown himself to be a fine leader for all the boys. He has also shown that he can keep his cool under fire, either at the end of a close contest which we won, or during a tough one in which we lost.

At the end of a couple of games which we lost this year, we saw many people start chewing out the coach for something he had no control over. We think that this is in very poor taste as these same people were telling him that he was doing a great job at the beginning of the season. Coaching is no easy task for anyone, and in our years at Telstar we had the great fortune to be associated with some of the best.

In Dick Collins, Telstar has found another one of these top-flight coaches and we should all appreciate the great job he has done this season.

So in closing this tribute we ask the simple question "Have not all the citizens, young and old, of this fine school district learned a great and perpetual lesson?" Our hats off to the spirit and ideals of Telstar!

## MAGALLOWAY

Mrs. Bessie Harvey, Corres.

Harold McGinley and his wife, Ilsa, are at their house in Wentworth Location. Their son, Bruce, was here over the week end and will be back Wednesday. Harold has to go to the Hanover hospital again in two weeks.

I think the Stranger family have closed their place in Magalloway for the winter as their minibikes did not go through my yard this past week end.

Only 16 voters came to the polls Tuesday, and 12 of them voted not to repeal the income tax law. Effie Kenney and Phyllis Parsons were ballot clerks.

Addie Lancaster has gone to New York for the winter. Her son, Royden, and his wife came for her.

The Riddon and Sykes camps are full of hunters and Mrs. Helen Hart has seven men in her camp.

Gerhard Behrend did not come this week end. He probably will be here no more than once more this fall.

Mrs. Dorothy Bowie of Portland is at her camp at present.

The first hunters ball will be held next Friday night. There is a large new oil furnace in the town hall basement which is very nice.

With the help of Bruce McGinley I am trying to save the McGinley deer.
